**Organizer :** Euro Money

**Venue :**

**Location :** New York Marriott Marquis, New York, United States,  
New York, NY, US, ZIP: 10001

---

Two days, two conferences, one location, one price: twice the networking, twice the value

The North American Energy and Infrastructure Finance Forums continue as two unique events, hosted under the same roof. Shared networking space and combined super-sessions make this the place to engage with peers from across the project finance community.

Key 2017 speakers included:

Energy

Daniel Elkort, Executive Vice President & General Counsel, Pattern Energy

Martin Laguerre, Head of Renewables, CPPIB

Chad Plotkin, Chief Financial Officer, NRG Yield

Kenneth Davies, Director of Renewable Energy, Microsoft Energy Strategy & Research

Jacob Susman, Vice President, Head of Origination, EDF RE

Infrastructure

Thilo Tecklenburg, Chief Operating Officer North America, Meridiam

Christophe Petit, President & Managing Partner, Star America

Phillip A. Ray, Vice Chancellor for Business Affairs, The Texas A&M University System

[www.nyeeventslist.com](http://www.nyeeventslist.com)

Duane Callender, Director, Credit Programs Office U.S, Department of Transportation  
Pat Foye, Executive Director, Port Authority of New York and New Jersey

Key 2017 themes included:

Energy

The Federal energy plan: Outlining the President's strategy, and the knock-on effect on traditional power and renewables in the US

Foreign capital: Exploring the factors driving overseas banks and investors into the US and Canadian energy markets

Capitalizing on opportunities provided by the growth of the corporate procurement sector  
Infrastructure

The new administration's infrastructure plan: Establishing a reliable pipeline of fundable infrastructure projects

P3's Golden State: What's driving California's infrastructure boom?

Establishing bankable transport projects in a world of rapid technological advancement
