for

**4<sup>th</sup> International Research Conference on Science, Technology and Management 2018 (IRCSTM 2018)**

**Dubai, UAE**

**17<sup>th</sup> & 18<sup>th</sup> January 2018**

**[www.ircstm.net](http://www.ircstm.net)**

**4<sup>th</sup> International Research Conference on Science, Technology and Management 2018 (IRCSTM 2018)** is a premier event that addresses the new advancements and challenges in the field of Engineering, Science, Business and Management. IRCSTM 2018 aims to provide an opportunistic forum and vibrant platform for researchers and industry practitioners to share their original research work and practical development experiences on specific new challenges and emerging issues. This Multidisciplinary Conference will be held in **Hyatt Place Hotel, Dubai, UAE during 17<sup>th</sup> & 18<sup>th</sup> January 2018.**

All full paper submissions will be peer reviewed and evaluated based on originality, technical and/or research content/depth, correctness, relevance to conference, contributions, and readability. The full paper submissions will be chosen based on technical merit, interest, applicability, and how well they fit a coherent and balanced technical program.

**Journal Publication:**

IRCSTM 2018 coordinates with authors and Journals to ensure high quality research could achieve esteemed publication. According to this only selected invited extended version of best quality papers presented in IRCSTM 2018 will be recommended for publication consideration for Indexed Journals, according to the participating Journal publishing policies and requirements.

Please submit your papers via email to [info.ircstm@gmail.com](mailto:info.ircstm@gmail.com)

**Topics of interest for submission include any topics on Electrical Engineering, Mechanical & Industrial Engineering, Civil Engineering, ICT, Business Management, Oil, Gas, Energy & Mining Engineering, Basic Science, Food & Agriculture.**
