What is Blockchain Summit?

THE Blockchain Event for Business Leaders

Blockchain Summit New York is a 1 day conference and exhibition connecting over 800 industry leaders, business decision makers, tech innovators and investors.

Based on unrivalled content and exceptional networking opportunities, Blockchain Summit is part of the largest dedicated Blockchain Event Series in the World. No co-located side events. A purely Blockchain focused audience.

Join the Summit keynote programme for unparalleled discussion with visionary speakers.

Cutting edge case studies offer a “how-to” approach to deploying Blockchain technologies across industries like finance, insurance, logistics, utilities, media and entertainment, and more.

Roundtable discussions and hosted networking sessions provide exceptional opportunities for attendees to connect with peers and deep-dive into topics.

Join us on the 23rd October for THE Blockchain for business event in 2018.
