CAMBODIA LAB EXPO is the only trade show on laboratory, scientific, analytical and biotechnology sector attracts international as well as Cambodia manufacturers and distributors. Decision makers from sectors like hospitals, diagnostic labs, oil & petroleum, chemical, cosmetics and Government departments can be met at the tradeshow.

The healthcare market in Cambodia will be worth close to \$1 billion in 2015. Healthcare spending per-capita was almost \$60 in 2013. Though still smaller and more difficult to do business in than many of its neighbors, Cambodia's market is on a positive trajectory that should soon attract more attention from Western companies.
