Certified Coach Practitioner – New York | Sep 2018

Life Coach & Executive Coach Certification in New York, New York.

Our two-day intensive New York Life Coach Certification & Executive Coach Certification provides leading edge coaching and business development skills to ensure your long-term success in this rewarding profession!

Successful completion of the New York Life Coach Certification & Executive Coach Certification – the **Certified Coach Practitioner Course™** – gives you the confidence, knowledge and skills both as a coach and as a business professional. Learn to work with others to accomplish their goals and turn their personal and professional aspirations into reality.

Our coaching concepts and structure are versatile and transferable in their design so that you can easily utilize both Life and Executive Coaching strategies in your practice. Therefore, a wider, flexible scope of skills and strategies means that you provide your clients with valuable coaching solutions.

Over 12,000 coaches have chosen the Certified Coaches Federation™ for their Certified Coach Training. As a result, our program is one of the most popular Coach Certification courses in the world!
