NRF 2019

Where big things happen

NRF 2019: Retail's Big Show is the world's biggest retail conference, bringing together the largest gathering of industry executives from across the globe. Attendees learn the latest retail trends and get an unparalleled view into how retail brands of all sizes are transforming themselves for the digital age. The event offers unique networking opportunities and a glimpse of the latest technologies and solutions for retailers.

For more than a century, NRF's annual convention and EXPO has been the annual gathering for industry luminaries and leaders, and it remains the place where big things happen in retail.
