

19th World Conference on Chromatography & Spectrometry

Date : Mar 20, 2019 - 09:00 AM - Mar 21, 05:30 PM

Event URL : <http://www.nyeventslist.com/events/19th-world-conference-on-chromatography-spectrometry-mar-2019>

Organizer : Conference Series LLC Ltd.

Venue :

Location : Hilton New York JFK Airport Hotel 144-02 135th Avenue Jamaica ,
New York, USA, US, ZIP: 11436
Phone: 7025085200

[SpectroChrom 2019](#) is a specially designed cluster conference for furnishing an exceptional intelligence among the scientists around the world attending our conference and also following us through different Medias. This scientific meeting is assigned on **20th & 21st of March, 2019 at New York, USA.**

SpectroChrom 2019 is a comprehensive annual event specially designed to discuss and learn about various chromatography and separation techniques which are the major master pieces of Analytical chemistry followed by Hyphenated Separation Techniques, Novel separation techniques, various applications of chromatography and spectrometry in research related to these separation sciences.

SpectroChrom 2019 will be a great platform for all the researchers related to different departments of Chemistry to share and develop their knowledge and make an impact on in advancing the taste of research in Chromatography and Spectrometry.

SpectroChrom 2019 hopes your presence in our conference. Spare your valuable time to attend this conference and gain some knowledge which will surely add colours for your future aspects and further researches and don't miss a chance to enjoy the unique beauties in and around our conference.

Bookmark your dates & start your trip to New York right now!!!

Event Categories : ENVIRONMENT CONFERENCES, EDUCATION CONFERENCES, ENERGY AND INDUSTRY CONFERENCES, HEALTH AND MEDICINE CONFERENCES, Healthcare, Life Sciences, Biotechnology, SCIENCE AND TECHNOLOGY CONFERENCES, Technology ,
