DeveloperWeek New York (#DEWEEKNYC) is the East Coast's largest developer and software engineering event with 3,000+ developers, engineers, architects, dev managers, IT professionals and tech execs. All will converge in New York City for a series of events covering the cutting-edge innovation in the developer technology industry: 10+ Conferences, Summits and Workshop Tracks, the 2-day Expo, the DeveloperWeek New York Hackathon, Hiring Mixer, and Partner Events.

New York is a capital of worldwide enterprise app development, and DeveloperWeek New York is the East Coast's definitive conference for the developer community. DeveloperWeek New York continues our tradition in New York City, where we will be coming back for the 8th year!
