Lexis welcomes you to attend International Conference Environmental Sciences and Renewable Energy 2020 during June 05-06, 2020 at Zurich, Switzerland. We cordially invite all the participants interested in sharing their knowledge and research in the arena of study of organisms and their relationship with Energy and Environmental.

We anticipate more than 300 participants around the globe with thought provoking keynote lectures, oral and poster presentations. The attending delegates include Editorial Board Members of related journals. The scope of Smart Energy-2020 is to bring the advancements in the field of Energy and Environmental Engineering of all their Researchers.
